

FAQs

CEREMONIES:

What time can we do our ceremony?

You may choose any time, however, you may not want to do it later than 5:00 as you may run short on reception time. In May and during the fall months, you will have a better chance of actually having your ceremony outside if you choose a time when the sun is the highest due to the possibility of cold weather when the sun goes down.

Do we need a runner?

No! Runners outside are almost impossible to manage due to the wind. Only a very heavy carpet may work, but the processional is on pavement and a brick aisle, not on grass or mud.

Can we throw rose petals?

We do not allow rose petals to be thrown here. We recommend bird seed or just have the flower girls carry a basket of flowers.

When can we do a rehearsal?

Rehearsals here depend on our booked events. We can tentatively schedule a 30 minute rehearsal the Wednesday or Thursday afternoon prior to the wedding depending on the timing of the events. We recommend that you schedule your rehearsal dinner with no regard to us.

RECEPTION:

What happens at the gate the day of the wedding?

We will have someone at the gate for about an hour as the guests arrive. If someone is going to be late, we will be issuing a pin # of the day of the wedding to be used at The Members & Residents Gate. You will be receiving your own pin # for your membership as well.

Where do the guests park?

Parking for the guests is allowed along one side of the street just outside of the parking lot. Family may park in the parking lot. The security officer will direct the parking as guests arrive.

Can we go to the beach?

Yes! We allow the bride, groom, Bridal Party, and photographer only to go the beach. Guests are not allowed. Our beach is a private beach located on a 175 foot cliff.

How long do we have White Cliffs for?

Everything has to end by 11:30pm and the bar may be open a maximum of 5 hours. The ceremony is not included in the 5 hours and you may stay after the bar closes at no additional cost. Typically, a wedding is about 6-7 hours here.

APPOINTMENTS AND TOURS

When can we come take a tour of White Cliffs?

We can schedule tours at many different times and days. Tours are done by appointment only as we are a private club and located in a gated community. On days when weddings or events are scheduled, we only allow "walk through" tours which mean a short tour to view the set up. Questions can be answered by phone or another appointment at a later date when we have time to sit with you and discuss details.

When do we need to decide on our final menu and details?

We schedule the final details meeting for no later than two months prior to the wedding and all final details are due two weeks prior to the wedding.
